

**The City of Danville** is excited to gather your feedback!  
 We asked local artists to submit designs for consideration for our next City of Danville logo!  
 This logo will be used in conjunction with our City Seal, not as a replacement.  
**Please help us select our finalists by voting for your top three.**

**Instructions:**

1. Review the logos thoroughly! Which ones best represent our city and the possibilities in Danville?
2. Circle your favorite three. Only choose 3 or your survey will not be included in the voting results.
3. Inside of your circles, write the numbers 1, 2, and 3 in order from your favorite to your least favorite of your three selected logos.
4. Fill out the contact information at the bottom!
5. Return this survey to your Mad Goat Barista.

**Voting will commence on Wednesday, January 24. Thank you for your participation.**

You may have noticed a tagline on many of the logos – **"You Decide What's Possible."**

We are so excited to share this with the community as our new City of Danville tagline and we hope that these designs make you feel proud.
